Judge Cantrill Renders a Just Decision at Frankfort Yesterday

During the unfortunate troubles at Frankfort pending Goebel's contest for the office to which Governor Taylor had been elected, it will be remembered that the latter ordered several Companies of State Militia to the Capital, among them the Maysville Company commanded by Captain Horace J. Cochran.

After the Legislature had robbed Governor Taylor of his office "under the forms of law," and after the other Republican state officers had been deposed and the Goebelites installed "under the forms of law," the new Administration refused to pay the soldiers for their services.

Some time afterward suit was filed against the state by Captain Cochran, representing the members of the Company, seeking a settlement of the claim.

And yesterday afternoon Captain Cochran received a telegram from Frankfort conveying the pleasant information that Judge Cantrill of the Franklin Circuit Court had decided the case in favor of the soldier boys.

This will be good news to many in this city, who are largely indebted to Captain Cochran for pressing the matter; and the decision of Judge Cantrill will be hailed as at least a partial return of Justice to one of the Courts of Kentucky.

CLASH OF COURTS

Uncle Sam and Kentucky "Mix Up" On Damage Suits

In the case of A. J. McAllister's Administratrix vs. Maysville and Big Sandy and Chesapeake and Ohio Railway Company, which Judge Harbison, upon the authority of McCabe's Administratrix vs. Maysville and Big Sandy Railroad Company, taken up from Mason county and decided on March 5th, 1902, by the Court of Appeals of Kentucky, overruled the petition of the Chesapeake and Ohio Railway Company for a removal of the case to the United States District Court for the Eastern District of Kentucky, upon the ground that the joinder of the lessee, Maysville and Big Sandy Railroad Company, a domestic corporation, with the lessee, Chesapeake and Ohio Railway Company, a foreign corporation, was rightful and sufficient to entitle the state Court to try the case.

Thereafter the Chesapeake and Ohio Railway Company appeared in the United States District Court for the Eastern District of Kentucky and obtained an injunction, which was served by the United States Marshal upon the widow and Administratrix of A. J. McAllister and her Attorneys, Messrs. A. D. and W. T. Cole, commanding them to stay all proceedings, the decision of Judge Harbison and the Kentucky Court of Appeals to the contrary notwithstanding.

It will be of further interest to the public to learn that the McCabe case above mentioned, which on appeal to the Court of Appeals was remanded to the Mason Circuit Court for trial, was on Tuesday called in the Federal Court for trial and the plaintiff not appearing it was by the Court dismissed and the parties sent hence.

Not acknowledging the jurisdiction of the Federal Court, Judge John D. Carroll has ordered the case set down for trial in the Mason Circuit Court at the approaching June term thereof.

This clash of jurisdictions is not unexpected, and the outcome will be watched by the legal profession and the public generally with a great deal of interest.

It is altogether probable that the final arbiter of such disputes, the United States Supreme Court, will be called on to settle the matter.

EBENEZER PRESBYTERY

Yesterday's Proceedings Were Reports From Churches

Presbytery was opened at 8:30 yesterday morning with devotional exercises, led by Rev. J. I. Blackburn, D.D.

Rev. T. T. Walton was enrolled as a member of this Presbytery.

The time was consumed in reading reports and comments on the same.

The Ebenezer Church reported—Number of communicants 104; number in Sunday-school 42; amount given to Home Missions \$4.70.

First Presbyterian Church, this city—Number of communicants 228; number in Sunday-school 131; amount given to Home Missions \$85.45; to Foreign Missions \$78.30; amount raised for general purposes \$3,390.68.

Mt. Carmel Church—Number of communicants 46; number in Sunday-school 30; amount given to Home Missions \$5.60; amount raised for general purposes \$2,146.48.

Murphysville Church—Number of communicants 26; amount given to Home Missions \$2; amount raised for all purposes \$57.60.

Rev. John Barbour, D.D., was elected Commissioner to the General Assembly, which meets in Buffalo, N. Y., May 19th, and Mr. Thomas F. Rogers of Mt. Sterling was chosen as Lay Delegate.

Mr. Cory of Palmouth was taken under care of Presbytery to study for the Ministry.

The report of the Pikeville Collegiate Institute was of a most gratifying character. The Institute is located in the Eastern part of the mountain range of the state, and has a wide, rich, yet undeveloped field from which to draw its students. There is a bright future before it, and its power and influence for good is but in its infancy.

Rev. J. T. Whitehead will give a talk tonight on "Work Among American Indians." Mr. Whitehead lived many years among them, and his talk is said to be exceedingly interesting.

The twenty-second annual meeting of the Woman's Missionary Society of Ebenezer Presbytery is in session at the First Presbyterian Church, with the President, Mrs. J. N. Ervin of Dayton, in the chair.

Delegates are in attendance from Ashland, Covington, Dayton, Falmouth, Lexington, Ludlow, Newport, Mt. Sterling, Sharpsburg and Maysville.

The President of the local Society, Miss Margaret Pickett, gave a most cordial address of welcome to the visiting delegates, to which Mrs. Ervin, the President, fittingly and gracefully responded.

Business and reports occupied most of the day, with able and interesting addresses from Mr. Dager of Africa and Mr. Ferman of India.

Miss Margaret Pickett has presided as President of the local Society for the past thirteen years.

Mrs. J. F. Barbour is the efficient and faithful Treasurer.

John Prather and family moved from Shannon to the farm of Mr. B. D. Owens this week.

Carlisle is soon to have a Sunday mail, the first in the history of that town, to Paris and return by automobile, which will carry passengers both ways.

Mrs. L. G. Murphy died recently at her home in Converse, Ind. Mrs. Murphy was one of that city's noblest women, identified with all its good works. She is survived by her husband and one daughter, the latter the wife of Mr. Joseph A. Kenny, formerly of this city.

MISS KATHERINE WILLARD.

"The Power Behind The Throne" is the offering in which Miss Katherine Willard will be seen in at the Washington Opera-house on Monday, April 25th, and gives her every opportunity to display the artistic ability which has brought her to the front so rapidly. Surrounded by a company of capable artists, including Edwin G. Caldwell and given a complete scenic production, this should be quite the gala event of the season.

William Coleman sold a bay gelding to Col. Langhorne Anderson for \$110.

Mr. Arch Scudder has resigned his position as Express Messenger, after thirty years faithful service.

Basil Lewis, a C. and O. fireman who was badly injured in an accident a year or so ago, has been paid \$4,000 by the company.

Workmen engaged in excavating for the foundation of the buildings being erected by the Oddfellows on their Market street lot, unearthed at the depth of two feet a box containing human bones—at least, they were pronounced such by Captain John Sapp, and he generally knows what he is talking about.

A Cure for Headache.

Any man, woman or child suffering from headache, biliousness or a dull, drowsy feeling should take one or two of DeWitt's Little Early Risers night and morning. These famous little pills are famous because they are a tonic as well as a pill. While they cleanse the system they strengthen and rebuild it by their tonic effect upon the liver and bowels. Sold by J. Jas. Wood & Son, Druggists.

Further, the Republicans of the various voting precincts of Mason county will meet on Saturday, April 16th, 1904, at 1 p. m., at the last voting place of their respective precincts for the purpose of selecting Precinct Chairmen for the ensuing four years, which Precinct Conventions will report to said Mass Convention of April 23d, 1904. W. D. COCHRAN, Chairman.

THE recent continued supply of liquid real estate has made an active demand for filters; but if the filters are not cleaned daily, the filtered water, though clear as crystal, will be worse than the real stuff; for it must pass through all the accumulated slime and microbes collected in the filter.

THE Brown six-inch gun, nearing completion at the works of the Reading Iron Company, is designed to throw a projectile thirty miles. The gun is twenty-six feet long, weighs 20,000 pounds and is made of wound wire. The shot it is to fire will have a service velocity of 3,000 feet a second and a maximum of 3,000. The inventor of this gun says he will build another ten-inch bore with a range of fifty-nine miles.

JIM ALLEN has quit having fun with the boys and has gone to preaching two-column sermons on Trust-busting. Quit it, JIM; the bad ones will bust themselves.

It is said that Representative GRIGGS of Georgia eats from five to six small bags of peanuts every day; and yet some people get hot in the collar when they are called peanut politicians.

STRANGE that persons who do not themselves employ labor—pauper or otherwise—are the ones who know most about the labor question. It's a confirmation of the epigram that the fellow who knows just how to run a newspaper is always engaged in some other business.

THE Washington authorities have decided that the willfully idle colored men and women of that city must go to work or get out of town. The rule ought to apply to willfully idle white people as well; and its operations might be extended to many other cities.

AN insurance rate war has broken out in Lexington, and fire premiums have gone to "rock bottom." Some Companies actually threaten to leave the state—just as though there were any strings tied to them. This is one Trust that got so hoggish that it busted itself.

A NEW YORK prophet, who claims to have foretold the blowing up of the Maine, the assassination of McKINLEY, the War in the East, and dozens of other things that did happen, now says the world will be destroyed by CHRIST during the reign of President ROOSEVELT and King Edward VII. Before the end, however, all the women are to be shorn of their beauty as a punishment for their vanity; and when this is done what will be the use of hanging around on this earth any longer anyhow?

Plant Seeds That Will Grow.

Each year we lay in a fresh stock of seeds, as that is the only way for us to be sure of their productiveness. You had better make sure of the results of your year's work by using these fresh seeds. It would be poor judgment to risk your money, time and labor by planting seeds of uncertain value; besides these fresh ones cost no more than the other kind.

We have a complete line of all varieties, both in bulk and packet.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active. It insures you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. For sale by Henry W. Ray, Postoffice Drugstore.

SPRING---IT'S TIME TO BE WELL!

Be Ashamed of Sickness and Spring Fever--Heed the Example of the Happy, Thankful People--BRACED--INNIGORATED--CURED at Once By the Celebrated Nerve Vitalizer and Tonic.

Paine's Celery Compound.

A DROOPING WOMAN.

Tired, Weak, But Paine's Celery Compound Made Her Strong.

Des Moines, Iowa, January 30, 1904.--"I was feeling tired and weak and had been troubled with nervousness for a long time. When I walked on the street I became dizzy and felt that I was going to fall. I had doctored with the best physicians, but got no relief.

"I had read of the numerous cures made by Paine's Celery Compound, and finally decided to try it. From the start the benefit which I derived was marked. After taking three bottles I feel that I am entirely cured."--MRS. S. A. ADDER, 343 N. 4th street.

The gentle but unfailing regulating power of Paine's Celery Compound does away with "that disheartened feeling" which sets its mark upon the faces and the lives of so many unhappy women.

Thousands of women whose bright eyes, clear complexions, buoyant spirits and unailing health are the envy of others owe their pure, strong blood and fine vitality solely to the little morning doses of Paine's Celery Compound, the celebrated Nerve Vitalizer and Tonic, which

gives the whole system strength to do its work in a healthful way. It keeps them "always at their best."

THIS PITTSBURGH MAN, TOO.

It "Braced Him Up"--Put Him On His Feet When He was Run Down and Sickly.

"Allowing my system to become thoroughly undermined by hard work, loss of sleep and nervousness, the result was that I was a fit subject for the hospital. A friend of mine recommended my taking Paine's Celery Compound, which I did, and after taking one bottle of your valuable compound, felt much better. A second bottle has put me on my feet again. It braced me up. I now feel like a new man."--L. SHEETS, 223 Lehigh avenue, Pittsburgh, Pa.

BE WELL THIS SPRING.

"Energy, Confidence and Health--simply matters of good blood and Vital NERVE FORCE."--Prof. E. E. Phelps, M.D., LL.D., of Dartmouth University--Famous Discoverer of Paine's Celery Compound.

Go to your Druggist TODAY--Get one bottle of Paine's Celery Compound--See how DIFFERENT it will make you feel.

"Which I Now Hold"

The man who wrote these words, Mr. Ebe Walter, of Clarksville, Del., had just received a dividend of \$196.98 in cash from The Mutual Life Insurance Company of New York. He added:

The net cost of the paid-up policy of \$1,000 which I now hold, and on which there will be paid me a dividend each year, during the balance of my life, is only \$48.02. The feature that I particularly like about my policy is that the longer I live the more I get, and that during the balance of my life there is nothing more for me to pay. (From Wilmington (Del.) News, Nov. 27, 1902.)

In writing for terms for a policy of this kind, state what you would like to receive in cash at the end of limited payment period.
